IASEE'S BACKGROUND

International Association of Social Enterprise Economics (IASEE) is a society that is registered under the Societies Act 1966 Section 7 of the PPM-008-10-08122015 numbers in December 2015 that brought together academics, professionals, individuals and institutions that are interested in the development and promotion of business and economics for the benefit and welfare of the community

IASEE'S OBJECTIVES

To develop and promote social economics sector as the dominant economic system. Other than that, the objective of the establishment of IASEE is to encourage scientific research on issues involving social economy.

CONFERENCE THEME

"Wasatiyyah Approach:

Empowering Socio Economic Sector Through Smart Partnership"

CONFERENCE OBJECTIVE

- To encourage the participation of academicians in the project with the community, especially in social economics
- To emphasize the approach of Wasatiyyah in social-economic areas
- To provide a platform for researchers, professionals, individuals and institutions to discuss and set the direction of the social economic sector in the country
- To get more industrial networks and high-impact journals for academics
- The objectives above support the national aspirations in the context of (i) MYRA, (ii) National Blue Ocean Strategy (NBOS), and (II) Social Economic Plans

TOPIC AREAS

Topics of interest for submission include, but are not limited to:

- Social Entrepreneurship
- Social Business
- Social Innovation
- Sustainability, governance and responsiveness of social entrepreneurship and social enterprises
- Zakat
- Waqf
